What were the strong points of the session?

- Nice way to end the day.
- Excellent visuals for support, an example of excellent interagency support, cooperation, and attitude. Highly informative.
- Review of what they have done, interagency efforts.
- Multiple perspectives.
- Another GACC perspective.
- Varied; good perspective from different voices.
- Good to highlight host SW-regional emphasis.
- Panel allowed different people to give input.

- Very interesting.

What were the weak points of the session and how would you change them for the better?

- None
- None that I can think of.
- Restate the objectives.

Other comments:

- I really didn't see the total relevance of the session, at least what was presented. More time should have been spent on how the center operates.
